

# Could your bank account survive a serious illness?

Get protected with group Critical Illness Insurance from Unum.

## Lisa's story

Lisa was planning her daughter's wedding when a stroke disrupted her plans. Thanks to her Critical Illness coverage, Lisa was able to afford the treatment her medical insurance didn't cover. So she was able to focus on her goal for recovery: to dance at her daughter's wedding.

## Who's at risk?

- The odds of developing cancer during a lifetime are one in two for men and one in three for women.<sup>1</sup>
- Every 34 seconds someone in America will have a coronary event.<sup>2</sup>

## Key advantage

You can use this coverage more than once. If you receive a full benefit payout for a covered illness, your coverage can be continued for the remaining covered conditions. The diagnosis of a new covered illness must occur at least 90 days after the most recent diagnosis and be medically unrelated. Each condition is payable once per lifetime.

## How to apply

To learn more, watch for information from your employer.

## Three reasons to buy this coverage at work

1. You get affordable rates when you buy this coverage through your employer, and the premiums are conveniently deducted from your paycheck.
2. Coverage is portable. You may take the coverage with you if you leave the company or retire without having to answer new health questions. Unum will bill you directly.
3. Coverage becomes effective on the first day of the month in which payroll deductions begin.
